PREFACE

Praise and gratitude to Allah SWT for all His mercy and blessings, so that the researcher can complete this thesis in a very simple form and content. This thesis is entitled An Analysis of Character Education in An English textbook Entitled *Bahasa Inggris* for Twelfth Grade of Senior High School as the fulfillment of the mandatory requirements to achieve a bachelor's degree in English education.

This research is about the existence of character education in one of the English textbook for a lesson, teachers can first analyze whether it is suitable to be used as a textbook or not. The textbooks used now still need to be found in character education through analysis. In a state still covered by Covid 19, the researcher chose to analyze a textbook. With the preparation of this research, it is hoped that it can also be used as a contribution to the use of English textbooks that are still used in Indonesia.
